Greenville Health System forms 9-county medical partnership

Greenville Health System is expanding its footprint again, this time in a physician-led partnership that includes more than 1,800 health care providers across nine counties. [Read More](#)

S.C. Health Cooperative sends thousands looking for health coverage

S.C. insurance officials scrambled Monday to help replace health coverage for employees of about 530 small businesses that signed on with the Seneca-based S.C. Health Cooperative. [Read More](#)

Valuing Services That Include Moderate Sedation as an Inherent Part of Furnishing the Procedure

The CPT manual includes more than 300 diagnostic and therapeutic procedures, listed in Appendix G, for which CPT has determined that moderate sedation is an inherent part of furnishing the procedure and therefore only the single procedure code is appropriately reported when furnishing the service and the moderate sedation. [Read More](#)
